idk man happy 2024-11-20 or whatever time is fake.

heres the main thing to read Dear Santa,

I hope this letter finds you well. My name is Michael, and I live in Iqaluit, Nunavut. This year, I've been on my best behavior. For Christmas, I would really love a smart home assistant.

If you can, I would also be thrilled to receive a customizable neon sign.

Thank you for all the joy you bring!

Sincerely,

Michael!!
