

im done writing bye...

lol santa hiii its David i finally remembered to send this letter..

my handwriting sucks so im typing this To Santa Claus,

My name is David, and I live in Quebec City, Quebec.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a smart fitness tracker. And if it's not too much to ask, I would love a Yellow Dress-Up Set as well.

Thank you so much, Santa!

Warm regards,

David!?
