

honestly long story short heres my whole deal Dear Santa Claus,

Hello! My name is Mary, and I live in Burnaby, British Columbia.

I've been very kind and helpful this year. For Christmas, I would really like a Our Generation Siberian Husky Plush.

It would also make me so happy to have a desktop air purifier if you can manage it.

Thank you so much, Santa!

Yours truly,

Mary.

honestly my mom says dinner is ready bye..

my mom said i had to put the date so here u go 2024-12-18.

hi santa its Mary and yes im STILL in Burnaby not the north pole!

also if ur feeling nice this year i'd love Our Generation Siberian Husky Plush,
desktop air purifier.
