

say hi to the reindeer bye!

literally also if ur feeling nice this year i'd love interactive storybook projector, mini drone!

heres the main thing to read Dear Santa Claus,

Hello! My name is Amanda, and I live in Surrey, British Columbia.
I've been very kind and helpful this year. For Christmas, I would really like a interactive storybook projector.
It would also make me so happy to have a mini drone if you can manage it.

Thank you so much, Santa!
Yours truly,
Amanda!?

ngl its 2024-11-20 and im running on hot chocolate!?

hey santa its me Amanda from Surrey, British Columbia just chillin while i write this..
