apparently its 2024-11-23 my brain cannot handle this.

BRUH alright buckle up heres my letter To Santa Claus,

My name is Christine, and I live in Brampton, Ontario.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a heated blanket with remote. And if it's not too much to ask, I would love a color-changing smart light bulb as well.

Thank you so much, Santa!

Warm regards,

Christine!!
