

santa hiiii its Tracy i finally remembered to send this letter!?

uh not tryna bribe u but solar-powered phone charger, Nintendo Switch Game...

literally my mom says dinner is ready bye...

long story short heres my whole deal To Santa Claus,

My name is Tracy, and I live in St. John's, Newfoundland and Labrador.
This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy to receive a solar-powered phone charger. And if it's not too much to ask, I would love a Nintendo Switch Game as well.

Thank you so much, Santa!

Warm regards,

Tracy!
