alright buckle up heres my letter To Santa Claus,

My name is Joshua, and I live in Fredericton, New Brunswick.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a smart fitness tracker. And if it's not too much to ask, I would love a Transformers Authentics Optimus Prime as well.

Thank you so much, Santa!

Warm regards,

Joshua!!
