literally so santa im dropping lore here Dear Santa Claus,

It's Stacey here from Watson Lake, Yukon! I hope you and the reindeer are doing great.

This year, I've been really good, and I'd be super excited to get a vintage-style typewriter keyboard.

And if it's okay, I'd also love a color-changing smart light bulb to make the holidays even more special.

Thanks so much, Santa!

Love,

Stacey..
