heres the main thing to read To Santa Claus,

My name is Ashley, and I live in Cambridge Bay, Nunavut.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a X-Shot Excel Reflex 6 Blaster. And if it's not too much to ask, I would love a doll as well.

Thank you so much, Santa!

Warm regards,

Ashley!!
