

ok thats enough typing bye santa..

tbh happy 2024-11-13 or whatever time is fake...

so basically heres the thing Dear Santa Claus,

Hello! My name is Joseph, and I live in Saskatoon, Saskatchewan.

I've been very kind and helpful this year. For Christmas, I would really like a teddy bear.

It would also make me so happy to have a customized photo puzzle if you can manage it.

Thank you so much, Santa!

Yours truly,

Joseph.

pls ignore my handwriting but i want teddy bear, customized photo puzzle...

hola santa (idk if u speak spanish but anyway) its Joseph from Saskatoon...
