

alright im out cya...

if this sounds chaotic sorry but Dear Santa Claus,

Hello! My name is Nathaniel, and I live in Watson Lake, Yukon.

I've been very kind and helpful this year. For Christmas, I would really like a 3D printing pen.

It would also make me so happy to have a Out to Impress Jewelry Set if you can manage it.

Thank you so much, Santa!

Yours truly,

Nathaniel..
