

its 2024-12-21 and im running on hot chocolate..

my handwriting sucks so im typing this Dear Santa,

I hope this letter finds you well. My name is Nicole, and I live in Hay River, Northwest Territories.

This year, I've been on my best behavior. For Christmas, I would really love a eco-friendly reusable notebook.

If you can, I would also be thrilled to receive a smart home assistant.

Thank you for all the joy you bring!

Sincerely,

Nicole!
