

pls ignore my handwriting but i want vintage-style typewriter keyboard,
solar-powered phone charger.

someone told me its 2024-11-27 but idk if thats true.

santa hiii its Elizabeth i finally remembered to send this letter!

anyway i just wanted to say Santa, my dude!

Elizabeth here, repping Red Deer, Alberta. I've been good(ish) this year, promise!
I'm crossing my fingers for a vintage-style typewriter keyboard. And if you're feeling
extra magical, a solar-powered phone charger would make my year!

You rock, Santa!
Elizabeth.

alright im out cya!
