

apparently its 2024-11-15 my brain cannot handle this!?

so basically heres the thing Santa, my main man!

Michael here, chillin' in Saint John, New Brunswick. I've been keeping it real and staying good.

I'm dreaming of unwrapping a Rechargeable Hand Warmer on Christmas morning. And if you're feeling generous, a Amazon Fire HD 10 Kids Pro would be the cherry on top!

You're the GOAT, Santa!

Michael!?

id cry happy tears if i got Rechargeable Hand Warmer, Amazon Fire HD 10 Kids Pro...
