

have a magical christmas santa..

alright buckle up heres my letter Santa, my main man!

Carol here, chillin' in Dartmouth, Nova Scotia. I've been keeping it real and staying good.

I'm dreaming of unwrapping a Our Generation Siberian Husky Plush on Christmas morning. And if you're feeling generous, a Nintendo Switch Game would be the cherry on top!

You're the GOAT, Santa!
Carol.

literally hey santa its me Carol from Dartmouth, Nova Scotia just chillin while i write this.

idk man its 2024-11-07 and im running on hot chocolate!!

ngl before i forget can i pls get Our Generation Siberian Husky Plush, Nintendo Switch Game!!
