

alright buckle up heres my letter To Santa Claus,

My name is Beverly, and I live in Hay River, Northwest Territories.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a e.l.f. Halo Glow Liquid Filter. And if it's not too much to ask, I would love a robot as well.

Thank you so much, Santa!

Warm regards,

Beverly!?
