

someone told me its 2024-11-09 but idk if thats true..

my handwriting sucks so im typing this To Santa Claus,

My name is Charlotte, and I live in St. John's, Newfoundland and Labrador.
This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy to receive a virtual pet robot. And if it's not too much to ask, I would love a ElectroCubes Nightlight Building Set as well.

Thank you so much, Santa!
Warm regards,
Charlotte!
