

happy 2024-12-13 or whatever time is fake!

honestly i hope this makes sense bc i rewrote it Hey Santa, what's good?

It's your buddy Melvin from Yellowknife, Northwest Territories. I've been trying to keep my cool all year.

I'm really hoping to score a e.l.f. Halo Glow Liquid Filter this Christmas. And if you've got any magic left, a solar-powered phone charger would be sick!

Keep sleighing it, Santa!
