

omg santa guess who its Sarah writing from Moncton..

someone told me its 2024-12-08 but idk if thats true!!

honestly not saying ur obligated but magnetic levitating globe, programmable LED message board would be epic...

have a magical christmas santa.

ok my brain is mush but i wrote this Santa, my main man!

Sarah here, chillin' in Moncton, New Brunswick. I've been keeping it real and staying good.

I'm dreaming of unwrapping a magnetic levitating globe on Christmas morning. And if you're feeling generous, a programmable LED message board would be the cherry on top!

You're the GOAT, Santa!

Sarah..
