

apparently its 2024-11-27 my brain cannot handle this!!

literally alright buckle up heres my letter Dear Santa,

I hope this letter finds you well. My name is Jerry, and I live in Toronto, Ontario. This year, I've been on my best behavior. For Christmas, I would really love a Apple iPad (10th Generation).
If you can, I would also be thrilled to receive a mini drone.

Thank you for all the joy you bring!
Sincerely,
Jerry!!
