

apparently its 2024-12-07 my brain cannot handle this...

ok my brain is mush but i wrote this To Santa Claus,

My name is David, and I live in Quebec City, Quebec.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy to receive a foldable travel backpack. And if it's not too much to ask, I would love a Rechargeable Hand Warmer as well.

Thank you so much, Santa!

Warm regards,

David.
