

i know i asked for a lot but robot, desktop bonsai tree kit would be perfect!?

santa hiiii its Joann i finally remembered to send this letter!

fr i hope this makes sense bc i rewrote it Santa, my dude!

Joann here, repping Ottawa, Ontario. I've been good(ish) this year, promise!
I'm crossing my fingers for a robot. And if you're feeling extra magical, a desktop
bonsai tree kit would make my year!

You rock, Santa!

Joann..

hope this letter sends bye!

its 2024-11-05 and im running on hot chocolate.
