

ok santa thats it bye stay warm..

fr so santa im dropping lore here To Santa Claus,

My name is Erin, and I live in Charlottetown, Prince Edward Island.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a book. And if it's not too much to ask, I would love a magnetic levitating globe as well.

Thank you so much, Santa!

Warm regards,

Erin!!
