

say hi to the reindeer bye.

not saying ur obligated but video game, The Clearly Impossible Puzzle would be epic!!

happy 2024-11-08 or whatever time is fake!?

santa hiiii its James i finally remembered to send this letter!?

uh my handwriting sucks so im typing this Santa, my main man!

James here, chillin' in Inuvik, Northwest Territories. I've been keeping it real and staying good.

I'm dreaming of unwrapping a video game on Christmas morning. And if you're feeling generous, a The Clearly Impossible Puzzle would be the cherry on top!

You're the GOAT, Santa!

James!!
