

lol ok santa thats it bye stay warm!

hi santa its Melinda and yes im STILL in Yellowknife not the north pole...

apparently its 2024-11-18 my brain cannot handle this.

like alright buckle up heres my letter Santa, my main man!

Melinda here, chillin' in Yellowknife, Northwest Territories. I've been keeping it real and staying good.

I'm dreaming of unwrapping a Apple iPad Air on Christmas morning. And if you're feeling generous, a The Clearly Impossible Puzzle would be the cherry on top!

You're the GOAT, Santa!
Melinda!?

also if ur feeling nice this year i'd love Apple iPad Air, The Clearly Impossible Puzzle!?
