

wow 2024-11-13 already this year was wild.

so santa im dropping lore here Santa, my main man!

Michelle here, chillin' in Iqaluit, Nunavut. I've been keeping it real and staying good. I'm dreaming of unwrapping a smartphone tripod on Christmas morning. And if you're feeling generous, a digital art drawing tablet would be the cherry on top!

You're the GOAT, Santa!

Michelle...

also if ur feeling nice this year i'd love smartphone tripod, digital art drawing tablet.

like ok santa listen up its ya kid Michelle from Nunavut!

my mom says dinner is ready bye!
