

so santa im dropping lore here Dear Santa Claus,

Hello! My name is Olivia, and I live in Edmonton, Alberta.

I've been very kind and helpful this year. For Christmas, I would really like a robot. It would also make me so happy to have a portable campfire if you can manage it.

Thank you so much, Santa!

Yours truly,

Olivia..

not saying ur obligated but robot, portable campfire would be epic!?

uh yo santa what's up its Olivia reporting live from Edmonton, Alberta.

hope ur having a good day bye!

its 2024-11-20 and im running on hot chocolate!!
