

ngl its 2024-11-11 and im running on hot chocolate...

omg santa guess who its Brent writing from Inuvik!

also if ur feeling nice this year i'd love smart fitness tracker, interactive storybook projector!?

heres the main thing to read Dear Santa Claus,

Hello! My name is Brent, and I live in Inuvik, Northwest Territories.

I've been very kind and helpful this year. For Christmas, I would really like a smart fitness tracker.

It would also make me so happy to have a interactive storybook projector if you can manage it.

Thank you so much, Santa!

Yours truly,

Brent!?

like alright im out cya.
