

wow 2024-11-08 already this year was wild.

not saying ur obligated but programmable LED message board, 3D printing pen would be epic.

im done writing bye!?

i hope this makes sense bc i rewrote it S-man!

What's crackin'? It's William from Saint John, New Brunswick. I've been keeping my nose clean all year.

I'm super stoked about maybe getting a programmable LED message board. And if you're feeling extra jolly, a 3D printing pen would be off the hook!

You're a legend, Santa!
William!?

omg santa guess who its William writing from Saint John!!
