alright buckle up heres my letter To Santa Claus,

My name is April, and I live in Charlottetown, Prince Edward Island.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy to receive a smartphone tripod. And if it's not too much to ask, I would love a 5 Surprise NBA Ballers as well.

Thank you so much, Santa!

Warm regards,

April!
