

have a magical christmas santa!?

sooo i know i asked for a lot but programmable LED message board, virtual reality headset would be perfect!!

if this sounds chaotic sorry but Hi Santa!

Audrey here, waving from Fredericton, New Brunswick. I've been trying my best to be good (most of the time).

I'm really hoping to find a programmable LED message board under the tree. And if there's room in your bag, a virtual reality headset would be amazing!

Thanks for being awesome!
Audrey!

omg santa guess who its Audrey writing from Fredericton...

someone told me its 2024-12-24 but idk if thats true!
