

its 2024-11-11 and im running on hot chocolate.

BRUH alright im out cya..

ok my brain is mush but i wrote this Dear Santa Claus,

Hello! My name is Larry, and I live in Burnaby, British Columbia.

I've been very kind and helpful this year. For Christmas, I would really like a teddy bear.

It would also make me so happy to have a RC Controlled Paper Airplane Kit if you can manage it.

Thank you so much, Santa!

Yours truly,

Larry...

also if ur feeling nice this year i'd love teddy bear, RC Controlled Paper Airplane Kit!!

hi santa its Larry and yes im STILL in Burnaby not the north pole..
