

my mom said i had to put the date so here u go 2024-12-04..

James here, chillin' in Gatineau, Quebec. I've been keeping it real and staying good.

I'm dreaming of unwrapping a Surprise Toy Bath Bombs on Christmas morning. And if you're feeling generous, a Small Stoneware Vase would be the cherry on top!

You're the GOAT, Santa!
James.

hope ur having a good day bye!?

not saying ur obligated but Surprise Toy Bath Bombs, Small Stoneware Vase would be epic..
