

also if ur feeling nice this year i'd love heated blanket with remote, retro instant camera.

ok so yeah 2024-12-09 cool..

so santa im dropping lore here Hi Santa!

Allison here, waving from Halifax, Nova Scotia. I've been trying my best to be good (most of the time).

I'm really hoping to find a heated blanket with remote under the tree. And if there's room in your bag, a retro instant camera would be amazing!

Thanks for being awesome!

Allison...
