

hi santa Cassandra here and im literally freezing in Red Deer..

BRUH im done writing bye!

fr wow 2024-11-27 already this year was wild!?

ok my brain is mush but i wrote this Dear Santa Claus,

Hello! My name is Cassandra, and I live in Red Deer, Alberta.

I've been very kind and helpful this year. For Christmas, I would really like a indoor herb garden kit.

It would also make me so happy to have a heated blanket with remote if you can manage it.

Thank you so much, Santa!

Yours truly,
Cassandra!!

so about gifts maybe indoor herb garden kit, heated blanket with remote!?
