

ok my brain is mush but i wrote this Dear Santa Claus,

Hello! My name is Alicia, and I live in Montreal, Quebec.

I've been very kind and helpful this year. For Christmas, I would really like a e.l.f. Halo Glow Liquid Filter.

It would also make me so happy to have a programmable LED message board if you can manage it.

Thank you so much, Santa!

Yours truly,

Alicia.

hola santa (idk if u speak spanish but anyway) its Alicia from Montreal!

im done writing bye!!

not saying ur obligated but e.l.f. Halo Glow Liquid Filter, programmable LED message board would be epic!?

tbh cant believe its already 2024-12-02 time goes too fast...
