

long story short heres my whole deal Dear Santa Claus,

Hello! My name is Donna, and I live in Saint John, New Brunswick.

I've been very kind and helpful this year. For Christmas, I would really like a electric scooter.

It would also make me so happy to have a multi-tool pocket knife if you can manage it.

Thank you so much, Santa!

Yours truly,

Donna.

not saying ur obligated but electric scooter, multi-tool pocket knife would be epic.

someone told me its 2024-12-11 but idk if thats true!?

hope this letter sends bye!?

tbh hey big guy in red its me Donna from New Brunswick...
