

its 2024-11-08 and im still doing this last minute..

idk man not saying ur obligated but mini drone, 3D printing pen would be epic...

have a magical christmas santa!

long story short heres my whole deal Dear Santa Claus,

Amanda here from Saskatoon, Saskatchewan. I've been working hard on being good this year.

I'm really excited about the possibility of getting a mini drone. And if it's not too much to ask, a 3D printing pen would be incredible!

Thanks for spreading joy!

Amanda!?

hi santa its Amanda and yes im STILL in Saskatoon not the north pole.
