

happy 2024-11-09 or whatever time is fake.

yo santa what's up its Eric reporting live from Calgary, Alberta!

alright buckle up heres my letter To Santa Claus,

My name is Eric, and I live in Calgary, Alberta.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a desktop bonsai tree kit. And if it's not too much to ask, I would love a portable projector as well.

Thank you so much, Santa!

Warm regards,

Eric..

uh i know i asked for a lot but desktop bonsai tree kit, portable projector would be perfect..

im done writing bye.
