

hola santa (idk if u speak spanish but anyway) its Adrian from Saint John!?

ok but anyway i just wanted to say Santa, my main man!

Adrian here, chillin' in Saint John, New Brunswick. I've been keeping it real and staying good.

I'm dreaming of unwrapping a Nintendo Switch Game on Christmas morning. And if you're feeling generous, a mini espresso maker would be the cherry on top!

You're the GOAT, Santa!

Adrian!

my mom said i had to put the date so here u go 2024-12-22.

gtg now my hands are cold bye...

BRUH not tryna bribe u but Nintendo Switch Game, mini espresso maker...
