

apparently its 2024-12-14 my brain cannot handle this!?

ok my brain is mush but i wrote this Hi Santa,

I'm Kaitlyn from Brampton, Ontario. It's been a great year, and I've tried my best to be good.

For Christmas, I have my eyes set on a solar-powered phone charger. If it's not too much trouble, I'd also love a smart home assistant.

Happy Holidays, Santa!

Best wishes,

Kaitlyn!
