

hope this letter sends bye!

uh hi santa John here and im literally freezing in Yellowknife!

apparently its 2024-11-21 my brain cannot handle this..

not saying ur obligated but ElectroCubes Nightlight Building Set, scratch-off world map would be epic!

ok my brain is mush but i wrote this To Santa Claus,

My name is John, and I live in Yellowknife, Northwest Territories.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a ElectroCubes Nightlight Building Set. And if it's not too much to ask, I would love a scratch-off world map as well.

Thank you so much, Santa!

Warm regards,

John..
