

ok my brain is mush but i wrote this Dear Santa Claus,

Hello! My name is Susan, and I live in Iqaluit, Nunavut.

I've been very kind and helpful this year. For Christmas, I would really like a smart fitness tracker.

It would also make me so happy to have a heated blanket with remote if you can manage it.

Thank you so much, Santa!

Yours truly,

Susan...

yo santa what's up its Susan reporting live from Iqaluit, Nunavut!!

gtg now my hands are cold bye..

also if ur feeling nice this year i'd love smart fitness tracker, heated blanket with remote.

apparently its 2024-12-17 my brain cannot handle this.
