

my handwriting sucks so im typing this Dear Santa Claus,

It's James here from Burnaby, British Columbia! I hope you and the reindeer are doing great.

This year, I've been really good, and I'd be super excited to get a magnetic levitating globe.

And if it's okay, I'd also love a smart water bottle to make the holidays even more special.

Thanks so much, Santa!

Love,

James...
