

apparently its 2024-11-30 my brain cannot handle this..

my mom says dinner is ready bye!!

alright buckle up heres my letter Hello Santa,

My name is Amy, and I come from Calgary, Alberta.

This year, I've tried to spread kindness and be the best I can be. For Christmas, I would

be delighted to unwrap a desktop air purifier. And if it's possible, I'd also really appreciate a wireless gaming mouse.

Thanks for making Christmas magical!

With gratitude,

Amy!?
