

so santa im dropping lore here Dear Santa Claus,

Hello! My name is Frank, and I live in Inuvik, Northwest Territories.

I've been very kind and helpful this year. For Christmas, I would really like a eco-friendly reusable notebook.

It would also make me so happy to have a Teenage Mutant Ninja Turtles Figures if you can manage it.

Thank you so much, Santa!

Yours truly,

Frank.

ok santa thats it bye stay warm.

yo santa what's up its Frank reporting live from Inuvik, Northwest Territories...

id cry happy tears if i got eco-friendly reusable notebook, Teenage Mutant Ninja Turtles Figures!?

wow 2024-11-23 already this year was wild..
