

im done writing bye!?

hey big guy in red its me Alan from Manitoba!?

sooo happy 2024-11-17 or whatever time is fake...

id cry happy tears if i got book, smart home assistant..

if this sounds chaotic sorry but Santa, my main man!

Alan here, chillin' in Steinbach, Manitoba. I've been keeping it real and staying good.

I'm dreaming of unwrapping a book on Christmas morning. And if you're feeling generous, a smart home assistant would be the cherry on top!

You're the GOAT, Santa!

Alan!
