

uh heres the main thing to read To Santa Claus,

My name is Jodi, and I live in Calgary, Alberta.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy to receive a heated blanket with remote. And if it's not too much to ask, I would love a customized photo puzzle as well.

Thank you so much, Santa!

Warm regards,

Jodi!

yo santa what's up its Jodi reporting live from Calgary, Alberta.

ngl ok santa thats it bye stay warm!!

cant believe its already 2024-11-07 time goes too fast.

oh and yeah i almost forgot i want heated blanket with remote, customized photo puzzle...
