

i know i asked for a lot but electric wine opener, Out to Impress Jewelry Set would be perfect!!

someone told me its 2024-11-23 but idk if thats true.

anyway i just wanted to say Santa, my main man!

Wanda here, chillin' in Laval, Quebec. I've been keeping it real and staying good. I'm dreaming of unwrapping a electric wine opener on Christmas morning. And if you're feeling generous, a Out to Impress Jewelry Set would be the cherry on top!

You're the GOAT, Santa!
Wanda...

hope this letter sends bye!
