

gtg now my hands are cold bye..

hi santa William here and im literally freezing in Cambridge Bay...

like look im just gonna say it i want compact sewing machine, eco-friendly reusable notebook!!

apparently its 2024-12-24 my brain cannot handle this!!

long story short heres my whole deal Dear Santa Claus,

Hello! My name is William, and I live in Cambridge Bay, Nunavut.

I've been very kind and helpful this year. For Christmas, I would really like a compact sewing machine.

It would also make me so happy to have a eco-friendly reusable notebook if you can manage it.

Thank you so much, Santa!

Yours truly,

William!!
